- ✓ Keep track of your putts on your scorecard. Pay a nickel for every putt! This money will go toward banquet prizes.

You also need to tell the pro shop that you chipped in. Carry over until someone wins! **Using a putter from off the green DOES NOT COUNT.**
- ✓ Players will make up their own foursomes, unless otherwise designated for that week.
- ✓ Please start on random holes so we don't bunch up on the first hole. Try to keep an open hole between groups when starting.
- ✓ Maximum shots per hole is 10.
- ✓ **Please no free drops or do overs, count every shot (for fairness in game payouts)**
- ✓ League play may be cancelled by the Pro Shop due to inclement weather.
- ✓ Starting handicaps will be based on your first nights score, but they will be adjusted using 95% of your first score. A cap of 30 will be placed on handicaps.
